

MATT KELLY ELEMENTARY SCHOOL REPLACEMENT PROJECT

COMMUNITY MEETING #2

OCTOBER 22, 2024, 6:00 PM PST
AT MATT KELLY ELEMENTARY SCHOOL

A GREAT SCHOOL DESERVES A GREAT BUILDING!

OVERVIEW

The second public meeting for the Matt Kelly Elementary School (MKES) Replacement Project focused sharing what we heard in the first community meeting. Giving the community an opportunity to provide visual concepts for the development.

ENGAGEMENT ACTIVITIES

- Two interactive design activities: **Ingredients and Space Requirements/List of Rooms**.
- Results from previous engagement shared by Raven McSwain, Sumnu Marketing.
- Q&A and feedback from participants.

KEY PRESENTATION POINTS

- Amy Yurko (BrainSpaces)
- Raven McSwain (Sumnu Marketing)
- Andrew Nasrallah (KME Architects)

TOP THEMES FROM ENGAGEMENT ACTIVITIES

- Reading & Community Spaces
- Nature & Preservation
- Security
- Recreational Facilities
- Innovative learning spaces

HIGH HOPES FOR THE NEW SCHOOL

- Multi-functional, collaborative spaces (indoor and outdoor).
- Use of advanced technology in classrooms to enhance learning.
- Spaces that support flexible learning methods and physical activity.
- Comfortable areas for staff and community collaboration, including lounges and meeting rooms.
- Future-proofing features such as hydroponics, drone activities, and flexible classrooms.

EVENT STATS

- Attendees: 36 (including parents, staff, community leaders, students)
- Comments: 49 comments submitted; 523 sticker dots used for voting.
- Engagement Goal: Target of 40 attendees not met (36 present).

OVERVIEW

The second public meeting for the Matt Kelly Elementary School (MKES) Replacement Project focused on gathering input for the new school design through interactive activities and discussions. The session included updates from previous engagement and gathered feedback on design preferences.
